RoHS STATEMENT

We SPYRAFLO, INC. confirm that bearing assemblies supplied by this company comply with the current European Union Restriction of Hazardous substances (RoHS) directive. The directive prohibits the distribution of products containing regulated quantities of Lead, Mercury, Cadmium, Hexavalent chromium, Poly-brominated biphenyls and Poly-brominated diphenyl ethers.

To the best of our knowledge, none of our raw material suppliers nor component vendors intentionally add any of these restricted substances in the manufacture of their products. However, please note that we do not routinely analyze for substances not intentionally added.

This statement is based on our current level of knowledge and covers commercial and experimental products as supplied by Spyraflo at the date of issue. Since conditions of use are outside Spyraflo's control, Spyraflo makes no warranties, expressed or implied, and assumes no liability in connection with any use of this information.

Sincerely,

A handwritten signature in black ink, appearing to read "Jessica Reynolds", written over a light grey rectangular background.
